GOALS

1. To attain a higher level in my career.
2. To complete project on time and at a high quality standard.
3. Need to minimize risk on all my projects.

FRUSTRATIONS

1. Cancelled project.
2. Data Crashes
3. Team that are not focused on project.

BIO

I worked hard all my life to attain the goals that I set for myself when I was young. My passion is to complete project on time and with maximum quality. I want to provide my family with the best that life offers. I'm a avid cyclist and enjoy keeping a active lifestyle. I'm always curious about what is coming up in the IT industry and I'm always updating my knowledge in the working place.

QUOTE:

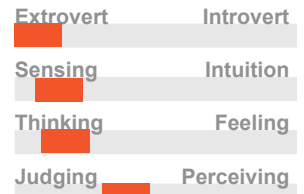

-Look deep into nature and then you will understand everthing better-Albert Einstein.

-from yesterday, live for today, hope for tomorrow.
The important things is not stop questioning.
-Albert Einstein.

-Nature is the source of all true knowledge. She has her own logic, her own laws, sher has no effect without cause nor invention without necessity-Leonardo da Vinci

-I have been impressed with urgency of doing. Knowing is not enough; we must apply. Being willing is not enough; we must do. Leonardo da Vinci
